

**RICK SCOTT**  
GOVERNOR

June 10, 2016

Dear Friends:

Thank you for your continued efforts to bring veterans to Florida and ensuring that our veterans have the opportunity to find a great job in our state. The great work of Floridians like you are essential to helping make Florida the most military and veteran-friendly state in the nation.

This year I signed 18 bills into law that support our veterans, including legislation which helps groups like Veterans Florida and Employ Florida connect veterans with job opportunities. I encourage all of our veterans to explore the online job listings in the Employ Florida Marketplace at [employflorida.com](http://employflorida.com) – or the portal specifically for veterans, [veterans.employflorida.com](http://veterans.employflorida.com).

As Governor and a Navy Veteran, I am committed to supporting our courageous veterans. We are incredibly thankful for their service to keep families safe and defend freedom across the world.

Again, thank you for answering the call to action and providing a priceless gift to our heroes who serve Florida and our nation every day.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rick Scott".

Rick Scott  
Governor
